

REMARKS

In the specification, a paragraph has been added which states that the instant application is a divisional of a previously filed patent application.

Claims 1-37 and 48-59 have been canceled. Accordingly, claims 38-47 remain in the instant application.

In view of the above, the Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below. If any fees are due in connection with the filing of this amendment, the Commissioner is authorized to charge such fees to Deposit Account 50-1652 (Order No. HLAVP001D1).

Respectfully submitted,
